

CCS Summer Day Camp 2008

FREE Lunch Program

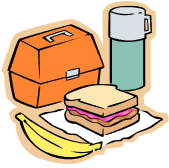

Dear Parents,

No, you are not seeing things, we *did* say FREE! We are so excited this year to be able to share our news about the free lunch program that we will be offering through Pottstown Parks and Recreation. In a nutshell, they approached us recently about a program they have been offering, through a grant, in order to help improve nutrition for students who attend summer camp programs like ours in our area. Through this grant they are able to provide day camps free snacks and lunches DAILY for each day that the camp runs during the summer. (We were amazed too!) There is no catch to this and this is not a program based on financial need. It can be provided for ALL of our campers from nursery age up to our oldest campers. All we have to do is provide them, prior to the current week, the number of campers who will be getting the lunches and the snacks and they will bring them in to us. And if that wasn't great enough, on days that we go on field trips, they will send the lunch items for that day as sack lunches for all who have ordered it (including coolers to keep the lunches and drinks cool)! Currently we are applying for approval to receive the lunches. If the approval comes through (which it should) we will be on our way to offering these lunches to our campers.

The program will work the way we currently do our "McDonald's Days" in that you will sign your child up for the lunches he/she will want. We will put out order forms two-weeks at a time and issue a new order form every other week. In order to avoid waste, we ask that you sign your child up for the days you know your child will be at camp. At the top of the order form you will see the date the orders are due. Since we have to get the orders in a week in advance, we cannot accept orders after the posted date. After receiving all the orders we will generate a list of all the campers who have ordered lunch each day. We will hand out the lunches based on that list. Please keep a record for yourself of the days you have ordered a lunch for your child so you remember not to send in a lunch that day. If you have any questions about the program or the way it will work please ask Mrs. Perich or me and we will do our best to answer them for you.

Attached is the order form for three weeks in July. We have attached the McDonald's orders as well in order to make things easier. (But please remember that you still have to pay for the McDonald's lunches.) Orders for these weeks of camp will be due **NO LATER THAN Monday, June 30th**. We hope you enjoy this new program!

CCS Summer Day Camp 2008

FREE Lunch Program

Dear Parents,

Below you will find the menu/order form for the next three weeks in July. If you want your child to have one or more of these lunches, please indicate as such by filling in the circle above the menu option on that day. All lunches are free except for the McDonald's lunches. If you are ordering McDonald's lunch for your child, you must include payment with the order when sending it in. All order forms and money are due by the date indicated on top of the form. Orders after this date will not be accepted and you will need to send in lunches for your child on those days.

Thank you,

Eric Swenson & Melissa Perich
