JULY FIELD TRIP PERMISSION SLIP

Dear Parents,

As you have seen from our calendars, our Day Campers take quite a few field trips throughout the summer. In order to make the process of granting permission easier and to expedite the process, we include a month's worth of field trips on one permission slip. This "once-and-done" method will ensure that permission is granted for all applicable field trips from the beginning. If there is any chance at all that your child may attend a trip with us, please check the box next to it just to be safe. Checking the box does not definitely commit your child to the trip. Also if there ends up being a change to any field trips we will issue a new permission slip form. Thanks for your help. We are looking forward to a fun-filled summer!

July 2008 Permission Slip

The following field trips are on the Day Camper Calendar for July. There is always a possibility that changes could be made. In the event of a trip change, a new permission slip will be issued that you will need to sign and return. Please grant permission for our July trips by checking the appropriate box(es) and filling out the form below. Please return this form to the office as soon as possible. Thank-you.
