Educating for Life

Dear Parents,

Thank you so much for the confidence you have shown in us and our programs by enrolling your child(ren) in Coventry Christian Schools (CCS)!

Each year we receive requests for addresses and phone numbers of fellow students, to invite them to various social events or to invite a friend over to play. Pictures of interest to our constituency are occasionally posted on the school's website, www.educatingforlife.com, and/or used in advertising medium. We also receive many requests for names and phone numbers of those willing to serve as references in evaluating our programs. CCS does not sell or release family information in any other way.

If you DO NOT wish for us to release your address or phone number in any of these ways, please indicate that by returning the slip below. Please keep in mind that withholding this information can impede communication and may result in exclusion from certain invitational parties or events. If we do not receive this slip by the beginning of the school year, consent will be assumed to release this information.

Additionally, in the effort to reduce paper use, we will be using parent email as a means to convey copies of forms, as well as items of interest to our students' families (including newsletters, grades, and schedules at the secondary level). If you do not have email access and will be unable to access these items, please indicate below. If you have supplied us with email addresses in the past that have changed, please note those changes. If you are a new family or have never given us an email address, please do so on this document.

Thank you!
