What Did PTO Do Last Year?

We want to give a great big THANK YOU to all the parents who attended and who continue to communicate to us. The PTO Executive Committee can be reached at pto@educatingforlife.com. Send us an email and give us your thoughts on what you would like to see happen this year.

Last year for a very successful year for PTO we had a wonderful PTO Auction at the French Creek Golf Club. Along with several other fundraisers we were able to fund or donate funds to the following improvements at CCS.

1. Coventry Campus Pavilion Funding
2. \$200 per teacher for classroom spending

3. Teacher Development Classes and Workshops
4. Laminating Film
5. Paper goods and catering contracts for lunches
6. T-Shirts for 4th Grade
7. Swings and Seat for Pleasantview Campus
8. Commercial Coffee Makers for the School
9. Donation to the Graduating Class for a Sr. Banquet
10. Back to school lunch for the CCS Teachers

* Note: The above information is gathered from the PTO 2007-2008 Monthly Treasury Reports.

Change in Lunch Orders

This year we had a significant change in our Tuesday vendor due to management changes. We greatly appreciate all your patience with this change. All the students (and staff) seem to be enjoying the change, but it was difficult at first. The great thing is, EVERYONE was great about re-writing the paperwork and getting them back to school with the new orders.

Due to the change, we will not be able to reconcile this month's lunch money because changes are still being put into

the computer as money and orders are still being settled.

Please be patient with us during this time and we will have a full financial report at the November meeting.

Kids Stuff Coupon Books

This year rather than sending home the actual Kids Stuff Book, we have chosen to purchase the books on an as needed basis.

You should have received a flyer home earlier this month with an order form on the reverse side. If you wish to order a book the cost is still \$25.00 and you can request several different counties.

If you have any questions regarding this sale, please email Traci Hoffman at tracihoffman@educatingforlife.com.

The sale will be over as of the last week in October, so please get your orders in now. REMEMBER: Coupons are always helpful during poor economic times and this book pays for itself with the use of only 3 coupons!!!

Upcoming Events!

December will bring out annual holiday gift workshop. This year it will be held on Saturday, December 6th from 9am-1pm. This event will be held at the Pleavantview Campus. Further details will come home in your Monday packets from school. Also check our CCS website.

December will also bring our new clothing drive. We are collecting wearable clothing, shoes, accessories and hard play toys to be collected at the PV campus on Sunday, December 7 from 1-3. If you have any questions please contact Sheri at sherifisher@educatingforlife.com.

PTO also will be hosting another hobby day in February, keep your eye out for the date! If you have any questions, please feel free to contact Traci @ tracihoffman@educatingforlife.com.

In February, we are running another month long "Pennies for Patients" event in "Honor of Sully Farrar" the nephew of Paul and Sheri Fisher who lost his battle with Childhood leukemia this summer. If you have any questions please contact Traci at tracihoffman@educatingforlife.com.
